### **SCENE 01 - Cold Open I**

HOOK RAPIDE | i1-i10 | 10 images | 65 words | VO ~26.0s | 1-2 sec/image

Your phone won't stop buzzing. A ring light glows behind a closed door. Stacks of cash cover the kitchen table. Your neighbor stares at you differently now. An open package sits on the counter. She turns her screen away from you. The office door locks from the inside. You knock. She doesn't answer. A familiar logo appears on her laptop. Voices rise through the hallway.

### **SCENE 02 - Cold Open II**

HOOK RAPIDE | i11-i20 | 10 images | 57 words | VO ~22.8s | 1-2 sec/image

She steps back like she's afraid of you. Your hands won't stop shaking. A bank deposit you never expected. The wedding photo still hangs on the wall. Tears run down her face. You stand completely still. A door slams somewhere in the house. The house goes quiet. She reaches toward you. Everything you trusted is breaking apart.

### **SCENE 03 - The Line**

HOOK RAPIDE | i21-i30 | 10 images | 59 words | VO ~23.6s | 1-2 sec/image

She finally looks you in the eyes. She opens her mouth to speak. You can't look at her anymore. She whispers one sentence. I never wanted you to find out like this. You step back like she struck you. Black screen. Twenty-four hours earlier. The house was still peaceful. POV: Your Life As The Husband Of An OnlyFans Wife.

### **SCENE 04 - A Perfect Morning**

ACTE 1 - NORMAL LIFE | i31-i41 | 11 images | 91 words | VO ~36.4s | 3-4 sec/image

Morning light fills the kitchen. She pours coffee into your favorite mug. You kiss her before leaving for another long day. Three years of marriage still feels new. Deadlines pile up at the office every week. You miss dinner more than you ever admit. But coming home to her still makes it worth it. That night she smiles over her laptop at the table. Honey, I found a side hustle online, she says. You tell her that sounds awesome and mean it. She deserves something of her own beyond this routine.

### **SCENE 05 - Side Hustle**

ACTE 1 - NORMAL LIFE | i42-i52 | 11 images | 98 words | VO ~39.2s | 3-4 sec/image

You ask what kind of hustle makes her eyes light up. Just content creation, she says, like it means nothing. The next weeks pass in a blur of late nights. You work late while she works behind a closed door. A package arrives while you are still at your desk. She brings it inside before you read the label. Busy night, she says over another reheated dinner. Good numbers today, she adds without explaining. You are too tired to ask questions that night. That tiredness will haunt you later. The side hustle becomes part of your normal life.

### **SCENE 06 - First Clue**

ACTE 1 - NORMAL LIFE | i53-i63 | 11 images | 96 words | VO ~38.4s | 3-4 sec/image

Saturday morning. You sort the mail at the counter. A crumpled receipt falls from the middle of the stack. Ring light. Professional studio kit. An unfamiliar price. You show it to her at breakfast with a half-smile. It is for the side hustle, she says too quickly. She changes the subject to weekend plans. You want to believe her because doubting feels worse. She seems happy. That is what matters, you tell yourself. You fold the receipt and let it disappear. She squeezes your hand like nothing happened. The first clue vanishes into a normal day.

### **SCENE 07 - Packages Arrive**

ACTE 2 - SOMETHING IS WRONG | i64-i74 | 11 images | 96 words | VO ~38.4s | 3-4 sec/image

Packages start arriving every other day. Outfits, makeup kits, and softbox lights fill the hallway. The delivery driver smiles like they share a private joke. Have a great shoot, he says before driving away. You freeze on the porch with keys in your hand. She laughs it off as standard influencer mail. Inside, she stacks boxes in the office quickly. The door closes faster every time you walk past. You notice but say nothing because saying it makes it real. Something feels wrong. You still cannot name it. The packages keep coming like warnings you ignore.

## **SCENE 08 - She Hides Her Phone**

ACTE 2 - SOMETHING IS WRONG | i75-i85 | 11 images | 100 words | VO ~40.0s | 3-4 sec/image

Dinner. Her phone vibrates against the table. She flips it face down without glancing at the screen. You ask who keeps texting during every meal. Just spam, she says. Her smile does not reach her eyes. At two in the morning you wake up alone. Light bleeds under the office door down the hall. You hear her voice. A tone you do not recognize. You walk to the door. The lock clicks inside. You stand there. Then return to bed without knocking. She slips in at dawn smelling like new perfume. You pretend to sleep because you fear the truth.

## **SCENE 09 - Money Appears**

ACTE 2 - SOMETHING IS WRONG | i86-i96 | 11 images | 83 words | VO ~33.2s | 3-4 sec/image

Your banking app sends a notification. Deposit. Four thousand two hundred dollars. You stare at the number like it might vanish. She grins over your shoulder with unfamiliar pride. Told you the hustle was working, she says. You want to celebrate. She already feels distant. Where did this come from, you ask calmly. Brand deals and subscriptions, she answers smoothly. A notification vanishes from her screen too fast. You catch the color of the app icon. Your stomach drops. She does not notice.

## **SCENE 10 - The Locked Door**

ACTE 3 - THE DISCOVERY | i97-i107 | 11 images | 89 words | VO ~35.6s | 3-4 sec/image

This is the day everything changes. The office door is locked with her voice behind it. Her voice is softer than you have ever heard. Nothing like how she talks at breakfast. You search the drawer for the spare key. The brass is cold against your palm. You hear a camera shutter from inside. You should knock. You should wait. You should trust her. Instead you slide the key in and turn slowly. The door opens onto a life you no longer know. Your hand trembles on the handle.

## **SCENE 11 - The Screen**

ACTE 3 - THE DISCOVERY | i108-i118 | 11 images | 88 words | VO ~35.2s | 3-4 sec/image

A ring light blinds you when the door swings wide. Her laptop sits open like evidence at a trial. A profile page fills the screen with her name. Photos you were never meant to see. Subscriber counts climbing into the thousands. She spins around. Color drains from her face. Your heart stops between two beats. Neither of you speaks. Words would make this permanent. The cursor blinks waiting for your reaction. You understand the packages, money, and locked door. Every clue from the past weeks crashes into focus.

## **SCENE 12 - I Started An OnlyFans**

ACTE 3 - THE DISCOVERY | i119-i129 | 11 images | 77 words | VO ~30.8s | 3-4 sec/image

She says the words because the screen already did. I started an OnlyFans. You do not yell. Silence is worse. How long, you whisper. Three months, she answers. Three months of smiles and secrets at dinner. Why did you not tell me. I was going to, she says, tears in her eyes. I just needed the right moment. The right moment never came because you worked late. This discovery is not the end. It is the beginning.

## **SCENE 13 - The Neighbor Knows**

ACTE 4 - CONSEQUENCES | i130-i140 | 11 images | 86 words | VO ~34.4s | 3-4 sec/image

You walk outside because the walls cannot hold this. Your neighbor waters his lawn like any other day. Hey, he says. Saw your wife online last night. Congrats on the success, he adds with a grin. He laughs. You do not. Word travels faster than you imagined. Someone whispers behind you at the grocery store. A group chat screenshot reaches your cousin. You delete it. It is already too late. Inside, she edits content like nothing happened. She acts like the world did not just shift.

ACTE 4 - CONSEQUENCES | i141-i150 | 10 images | 69 words | VO ~27.6s | 3-4 sec/image
